Making a joyful noise to the Lord

Making a Joyful Noise to the Lord
From the late 1800's when Captain Joseph McFee collected coins in a pot for destitute families in San Francisco, Christmas shoppers and community members have been called to the kettle by the music of a brass band and, more recently, by the sound of a bell. They know their contributions will help those in need. We love to hear the bells each year, but I believe we can all agree that the most Joyful Noise is when human needs are met in Jesus’ name.
